**SPECIAL MISSIONS ANNOUNCEMENT AT THE END OF THIS LETTER**

**May 2017 (Various Prophetic Words)**

Dear Friends,

It has been a while since I shared prophetic words the Lord has given during our church services. So, this month I am passing along words He has given and I trust they will not only bless your life, but also serve as an encouragement to go deeper into His presence.

Be sure to take advantage of this month's sermon CD offer, "Loosed from the Anchor of Your Past." This sermon will definitely help anyone struggling with past sin or painful memories.

In His Grace,

*Jim*

**OPEN YOUR HEART AND WORSHIP**

I have made My best available unto you and I have held nothing back. I have never held anything back from you. I have always made My best available to you. And the deeper you go into My glory the more that you are transformed from glory to glory, is the more you will experience those things that I have already laid aside for you. I have given you My best. And the best that you can give to Me is your worship.

For you see, you can pray in tongues, you can speak My Word and meditate My Word and you can fast; but your worship, your worship is the best that you can give unto Me. Because, you see, it is those who worship Me in spirit and truth, they are the ones that I seek. Yes I want you to pray, yes I want you to meditate on My Word and yes I want you to fast; but I *seek* for those who will worship in spirit and truth, because that is the one thing that you can give unto Me. And when it pours forth from your heart it is the best that you can give Me.

There is nothing greater that you can give to Me beyond your worship. For it is your worship which will usher you into realms of My presence in the special places. It is your worship that will take you deeper into Me. It is your worship that will help accelerate your spiritual growth and maturity. When you worship and you focus your mind on Me, you're giving Me the best you can give Me. And I want you to know I honor that, I honor that.

The Old Testament saints longed for the day that they could worship Me like this; but in all of their lives on earth they could never do what you have done here tonight. Only now are they able to do that as they are in My presence. But you, you have the ability to do this now. You have the ability to worship Me as they never worshiped Me and you can do it while you are still on the earth.

And I say unto you there is a dimension of worship that could never be experienced under the law. A dimension of worship that could never be experienced until My Son was crucified and risen again. And now, now there is a realm of Me that all mankind can experience. There is a realm of Me that you can know. And your worship will take you there. I am God. I love you. I love you and I want you to know My love. Therefore worship Me, worship Me. Open your heart and worship Me.

### **I EQUIP YOU – STEP OUT AND OBEY**

You've sensed for a long time that I've been speaking to you about stepping out beyond where you have been. You have been sensing that I have been leading you in a direction that seems so very unfamiliar to you and almost unsettling. You have not felt qualified, you have not felt worthy and you have even been afraid. You have told yourself, 'I can't do this.' But I would remind you I do not call anyone to do something that they cannot do. But I call you to do that which I equip you to do. So you should know that the moment that you were born again I was able to begin releasing into you that for which you are called. And I would say to you, confusion and discouragement have not come from me, but you have allowed others and yourself to formulate your opinion of you. So tonight, stop looking at what others see and start looking through my eyes. Stop looking at what you have seen in the past and start looking through my eyes. I have called you and I have made available to you everything you'll need to do what I've called you to do.

Step out. Do that for which you are appointed. Step out and do not be ashamed or dismayed of what you perceive to be small beginnings. For the moment that you step out and begin to follow me, begin to do what I tell you to do, you'll begin to see things change, you'll begin to see things grow. And when you take this step of faith and trust me that I can do this through you, you're going to be amazed at what comes out of your mouth. For out of the very deep regions of your spirit, I am going to be able to bring forth that which I have deposited in you, and you will surprised yourself because you have not thought yourself good enough to say such things. But you see, it is not you doing it; it is Me in you, your strength, your glory, and your anointing, doing it through you. Be My vessel this night and let Me work through you and I will show you what I can do – says the Lord.

### **INCREASED ACCOUNTABILITY**

Your level of accountability is increasing. I have spoken to you over and over and over and over many, many times about your walk with Me; I've spoken to you over and over, over and over, about what I need from you. You must understand that I am only as sovereign as you allow Me to be. For there are too many in the Body of Christ who have been terribly deceived by the devil into thinking that I will just move when I want to.

But I would have you know this night, yes and I would remind you of this, I am only as sovereign as you allow Me to be; for to call Me a sovereign God who only moves when He wants to, makes Me a respecter of persons; yet you know otherwise in your spirit. For you to believe that I can do anything is wrong. For you see, I can only do in your life what you let Me do and as much as you let Me. I can do anything, but to think I will do something when I decide to do it means that you think it is My choice to leave you the way you are until I decide to move.

If you would only meditate on that thought you would understand the foolishness of it. I can do anything. I can do everything. I am God. But you limit Me by what you allow Me to do in your life. But I say unto you, if you are sitting and waiting for Me to do a great work in your life, you will continue to sit and wait and never see the great work. But if you will enter into My presence, then I will be able to do that great work and you will see that great work. It is My desire to do great and mighty things through you in the lives of the people around you.

If you let Me, I will take you into realms of My glory that you have not even heard preached. I will take you into realms of My glory that will change you in ways that you have not conceived of. But if you do not let Me do these things, these things will not be accomplished. For you see, I move in your life to the degree of your life that you give Me. The more of you that you give Me is the more of Me that I am able to give to you. So if you want to see the power of My glory demonstrated in you, you must give yourself over to Me.

You must not hold anything back; for the days are coming when you will need as much of Me as you can possibly receive. The days are coming when you are going to need the power of My glory active in your life at all times. So I would remind you again this night, I am not holding back. I am not withdrawing and I am not waiting to make a decision on your behalf. I have already made this decision and I will give to you as much of Me as you will let Me. This is My sovereign decision, says the Spirit of the Lord.

### **SPEAK GOD'S WORD**

If you will speak My Word, here's what's going to happen: The enemy, as My Son said, comes immediately to steal the Word that is sown. Thoughts will cross your mind about these things you are facing. Thoughts of worry or despair, thoughts of being overly concerned, thoughts of defeat, thoughts of *'it's not changing, nothing is happening,'* thoughts of *'what am I going to do?'* Those thoughts are not being birthed out of your new nature; those thoughts are coming out of emotions from (attacks originating from) the enemy.

When those thoughts bombard you, you must immediately begin speaking My truth, begin speaking My Word as it would apply to that particular situation. When you do this, it will be as though in the realm of the spirit that you have engaged the enemy in sword play; his word against My Word that you are now using; and you will shut him down, you will "injure" his plans. When he is speaking these words of doubt and unbelief to you, he's trying to get you to come into agreement with his will instead of Mine. But if you will immediately begin to speak My Word, even if you are in a place where speaking My Word out loud would be too difficult, speak it under your breath, speak My will under your breath and wage warfare against the enemy.

Come into agreement with My Word. Use My Word to carve out a path on which I'll be able to move and to work and you'll see Me move, you will see Me work, you will see things happen that you thought you were going to have to get involved with. But if you will cut the way for Me with My Word I will be able to get involved and you will see things change.

So tonight you have heard your answer. You've heard what you need to do. Remember this, remember what you have heard tonight and use it. Use My Word. My Word will never fail. My Word will never return void. My Word works.

## **SIN IS BEING JUDGED**

I am coming with a vengeance to judge sin, but My judgment will be in love, not as the world judges. This judgment will not be of the sin in the world, but of the sin in My church. It will not manifest in the way man would imagine, but in a way to bring conviction and save souls. Yes, I said save souls; the souls of My children who are headed in a direction that would take them from Me.

One of the greatest things I could do for a person is remove my blessings and anointing from those in ministry who are not walking in truth. I will always honor truth, but many have created their own type of “anointing” through their personality and works. My heart grieves for my children who have been misled by such ministries. When my children are misled by that “non-truth” and works-based false anointing, I call it sin.

Would you like to know what I look for? I look for the same doctrine and teaching that I gave to the church; that which was preached by the apostles and was recorded in My word. This includes what I have said about healing, prosperity, righteousness, holiness, justification, callings, and all else that will enable you to conform to the image of My Son. Compare what I have said to what is preached and taught. When you find a discrepancy, you have found a works-based doctrine contrived and developed by man. Why would you want to be a part of such a church or support such a ministry? Why would you say that I bless that which takes my children down a path of lies and away from Me?

My children are too willing to accept anyone who preaches that My Son is the way to salvation. My children, most of My church, are not living at a spiritual level of even that of the Corinthians when Paul wrote to them. I say this to My church: reject anything which does not line up with My Word. Learn to be selective about what you see, hear, and receive. You have put up with, and willingly accepted, too much junk that cannot be supported by truth. What I see is a bunch of undisciplined children chasing after anything that gives them a religious sense of pleasure. Don't you understand that you are going to be judged over this? It's time you stopped playing your self-centered religious games and started living a Christ-centered life.

When you compare My Word to what is preached and taught by churches and ministries and see a discrepancy, you have identified a problem in My body. Remember, a cancer in the human body is still a part of that body; but if left untreated, it will work to destroy healthy cells. I see any doctrine which does not line up with My Word as a cancer in My body. And yet, many of my children are willingly introducing this cancer into their lives.

Judge yourself and deal with this now. Listen to Me and get in the church where I want you. Don't worry about distance or inconvenience; I can make the inconvenient convenient. I can change your circumstances, but you must change the attitude of your heart. Did I not say in My Word that I would give you shepherds after My own heart, those who would feed you from My table? Listen to Me and give to the churches and ministries I tell you. Stop supporting those which spread the disease of wrong doctrine.

You have not yet figured out the fullness of what I can do or how I can move. This is why many of you do not obey in these things: you are afraid and fearful of hardship. There are those who will hear these things and reject them. Their security is in their religion and not in Me. I love them, but they are hurting themselves. Do not confuse My love with approval of wrong. For

those who hear and receive these things, begin to take action. Do what I say and dwell where I am.

*NOTE: THE FOLLOWING ANNOUNCEMENT WAS INCLUDED IN THE EMAIL EDITION OF MY APRIL LETTER. I AM REPRINTING IT HERE FOR THE BENEFIT OF THOSE WHO DID NOT RECEIVE THE EMAIL.*

Our ministry will be conducting a pastors and ministers training conference in Migori, Kenya, from Monday, July 24 through Friday, July 28, 2017. Our objective is to provide in-depth, line-upon-line Biblical teaching confirming foundational doctrine for effective discipleship. Another minister, Alain Legault, is going with me and there will be four sessions each day. The Migori Churches One Accord pastors association is helping us put the conference together and it is expected that between 200-500 people will be attending.

There will be no charge for people to register or attend. Meals will be freely provided each day for all in attendance. Training materials will be printed and distributed at no cost. Additional expenses include airfare, hotels, a driver for the week and other various items. Neither the Migori Churches One Accord nor the pastors involved are financially able to cover these expenses. To avoid anyone in Kenya experiencing financial hardship, our ministry intends to pay all the expenses associated with this conference, estimated to be at the very least \$15,000.

First and foremost, we ask for your prayers over this conference. I know that it is going to be a major turning point in the lives of those attending. Also, if you would like to contribute toward these expenses and be a part of transforming the lives of many pastors and other Christians, checks/money orders may be sent to Grace Christian Center, PO Box 291962, Dayton, Ohio 45429. You may also send contributions via PayPal by visiting [www.jmmgrace.com](http://www.jmmgrace.com) and clicking on the "Donations" link in the yellow box. (If more comes in than is necessary for this conference, it will be used exclusively for ministry purposes.) Send any questions to [PastorJimGCC@gmail.com](mailto:PastorJimGCC@gmail.com). Thank you so much in advance for your partnership in this outreach.
