February 2018 **PROPHETIC WORDS FROM GOD**

Dear Friends,

I have been going through a file of prophetic words the Lord has given in our church services. This month I am sharing some of them. I trust they will be a blessing.

ACCESS TO GOD

Your access to Me lies within. You see, in the old covenant, they had no access to Me from within. They could only access Me from without. But now, now that the blood of My Son has been shed, now that you have become born again with My life and My nature inside you, you have access to Me from within.

So stop looking without. Stop seeking without, and start seeking within, start seeking within. For everything that you desire and everything that you have hoped for and everything you have wanted to see manifest is within you, because I am within you.

LET GOD WORK

The Lord has begun a work in some people here this morning. And the only way that it can be stopped is if you stop it, if you don't let Him do what He wants. Now, He is ministering to some people right now about some stuff that He has been trying to do in your lives for a long, long time. Every now and then you have sensed Him touching you, you've sensed Him ministering to you but you have stopped short because the things that He is wanting to do in you are things that you are not accustomed to; because quite honestly, you've been held from it all your religious life.

And God is saying, You must lay down your religion or I cannot work the fullness of My work in your life. You must lay down your traditions or I can never take you beyond where you are right now in Me.

You have reached the limit of your walk in Me if you do not reach the point of being willing to lay these things down. You are rendering My power and My work in you of none effect because of what you are clinging to from your past. Turn it loose and let Me take you beyond where you've ever been and you will know and understand a greater realm of who I am in your life than you ever have before. So turn loose of your past and come walk with Me and I will take you into a realm of glory that you have never known.

GOD SEEKS WORSHIP

Give to Me that which I am truly seeking, that is your love, and your worship - there are many churches that profess Me and many churches that preach Me, but out of them all, there are so few that give Me what I am really after: your heart, your love and worship.

You've begun to enter into a realm of worship that you have not known in the past. For many of you, this has been a challenge. Many of you are still reserving yourselves because your flesh is uncomfortable with releasing out of your mouth the praise, the worship and the adoration that is in your spirit.

I say unto you, you must go beyond your flesh, you must go beyond your emotions and your feelings and you must open your mouth. You must release unto Me that which is in your heart. For you see when you became born again, worship became a part of your nature.

So I would say to you, submit to the operation of your spirit. Dominate your flesh and do that which now seems uncomfortable but will soon seem very natural. For there are many churches, but few give Me what I am truly seeking: your heart, your love and worship.

But you have been pressing deeper as a church into My presence through your worship. Your songs have rung through Heaven. Your songs have reached My throne. Your worship has reached My ears; for the greatest worship is that which is not planned, but that which is birthed out of your heart.

Your worship has reached My ears and I say unto you if you will continue, if you will press deeper into this, you will continually dispel the powers of darkness in greater and greater measure. You will open up a realm of the spirit where My glory and My presence can penetrate and fill this place.

I say, there will come a day when sinners will not need to hear a sermon preached, but My presence released through your worship will convict them, will draw them to the cross, will draw them to repentance, will draw them to salvation..

I say unto you, you are a church that is pleasing unto Me, for you have come so far. Yes, there is further yet to go but you have come so far. There are other churches which have begun like this but they have faded. Some have even come to the point of stopping this worship before I could complete the work that I wanted to do in these times of worship.

But you are a learning people, you are a growing people. And I say to you, be encouraged. I say unto you, be encouraged, for I am pleased with what you are doing. I am pleased with where you have come from to where you are. And I say unto you continue in this. Continue in this and always, always press beyond your flesh to enter into these times of worship, for it is there you will begin to experience Me in a new dimension. Your worship is a key to this revival.

OPEN YOUR HEART AND WORSHIP

I have made My best available unto you and I have held nothing back. I have never held anything back from you. I have always made My best available to you. And the deeper you go into My glory, the more that you are transformed from glory to glory, is the more you will experience those things that I have already laid aside for you. I have given you My best. And the best that you can give to Me is your worship.

For you see, you can pray in tongues, you can speak My Word and meditate My Word and you can fast; but your worship, your worship is the best that you can give unto Me. Because, you see,

it is those who worship Me in spirit and truth, they are the ones that I seek. Yes I want you to pray, yes I want you to meditate on My Word and yes I want you to fast; but I *seek* for those who worship in spirit and truth, because that is the one thing that you can give unto Me. And when it pours forth from your heart it is the best that you can give Me.

There is nothing greater that you can give to Me beyond your worship. For it is your worship which will usher you into realms of My presence in the special places. It is your worship that will take you deeper into Me. It is your worship that will help accelerate your spiritual growth and maturity. When you worship and you focus your mind on Me, you're giving Me the best you can give Me. And I want you to know I honor that, I honor that.

The Old Testament saints longed for the day that they could worship Me like this; but in all of their lives on earth they could never do what you have done here tonight. Only now are they able to do that as they are in My presence. But you, you have the ability to do this now. You have the ability to worship Me as they never worshiped Me and you can do it while you are still on the earth.

And I say unto you there is a dimension of worship that could never be experienced under the law. A dimension of worship that could never be experienced until My Son was crucified and risen again. And now, now there is a realm of Me that all mankind can experience. There is a realm of Me that you can know. And your worship will take you there. I am God. I love you. I love you and I want you to know My love. Therefore worship Me, worship Me. Open your heart and worship Me.

THRESHOLD OF GLORY

You are standing at the threshold of glory, but I cannot cross over to walk where you are walking, but you can cross over to walk where I am walking. When you do, the glory that you enter into shall be revealed through you. My presence and my anointing will carry you every day of your life.

WORSHIP AND THOUGHTS

The Lord said that there are so many people in the body of Christ who are tormented in their minds because of their thought life. He said, If you would only learn to praise Me, if you would only learn to worship Me, you would find out how that your worship will have a purging and cleansing effect in your thought life. There are too many people, too many Christians, who are going through a lot of junk in their minds, that if they would just worship, all of that could change, all of it could change, all of it could change.

A CHANGE IS COMING

You've been sensing in your heart that a change is coming, and the Lord says there is. A change is coming soon, soon. He says, Listen to Me and I will give you directions. I'll show you what to do. I'm drawing you from your past. I'm drawing you from your past and I am pointing you in the right direction. Don't hold back. Don't hold back. Don't hold back. Let Me lead you. Let Me lead you. Let Me lead you. Follow My direction and do what I tell you to do. Go where I tell you to go. Make the change that I am telling you to make; because as you make this change, you'll be stepping into the next level of what I have for you to do.

Emotionally, this is going to be a challenge for you. But you are going to find a greater joy if you'll just follow what I am leading you to do. For My hand is upon you; at times you have wondered, yes My hand is upon you. I am ministering to you and I am speaking to you. I love you very much and that is why I am taking this time with you. It's because I love you and I only want the best for you. So follow Me, follow Me. Take the step and follow Me and I will lead you into pastures of peace and joy and blessings in My presence.

RELIEF FROM HEAVINESS

You've been under a spiritual attack and the heaviness that you've been sensing is because Satan is coming against you. He is attacking you in this way to try and keep you down to try and move you into an area of great depression. It is a spirit of confusion that has draped a blanket over you. You didn't know it; you didn't feel it. It was a gradual thing; it didn't hit you over night. But this is a spiritual attack.

If you will go home tonight and exercise your authority over this and command it to leave and then seal it with worship, this is going to lift. It is going to lift; you are not going to feel this (anymore).

The concept of prophecy or prophetic words is new to many Christians. Such prophecy is not man's attempt to create new scripture, but such prophetic words originate from the same source as scripture. Furthermore, all genuine prophecy will line up with what is already recorded in the Bible. To receive a special teaching on prophetic words, please use the order form on the next page and request, "Don't Take Prophecy Lightly."

May God's presence fill your life!
