

WORDS FOR MEDITATION (6) (2015-1-25 SPM)

- 1) **Philippians 4:19** Most Christians have no problem believing God for eternal life, but struggle in believing Him for day-to-day life.
- 2) **John 16:8** Just because God is convicting you of something does not mean He is convicting everyone else of the same.
- 3) **Heb 2:17** Jesus is your merciful and faithful High Priest. The high priest under the law NEVER made people sick; why should you think God would violate the ministry of your High Priest by making His own children sick? Mercy heals, it does not make people sick.
- 4) **Psalms 119:130; John 14:26, 16:13** When you eat, acid and other fluids break down the food so the nutrients can be absorbed and distributed throughout the body. The Bible is the food; praying in tongues breaks it down for digestion and absorption in your spirit.
- 5) **1 Samuel 15:22; Luke 10:38-42** Obedience to the Lord is greater than busy for the Lord.
- 6) **2 Chronicles 5:7, 13-14; Hebrews 8:10** If you could have the literal Ark of the Covenant carried into your church, how would you feel, respond and react? Just because you do not see Him, the Christ of the Covenant is in here now. You are now the living Ark; every time you walk into your church, you are carrying the life of God and His spiritual laws of life.
- 7) **John 17:17** Your belief in a thing does not make it truth. Truth exists and you have the opportunity to believe it.
- 8) **Acts 17:16-22** "Mar's Hill" is alive in the church: Christians run to and fro looking for the newest revelation, newest word of the prophetic, newest move of the Spirit, etc, but will not press into God and His Word to be established on the foundation of the Apostles and Prophets (Eph 2:19-20; 2 Tim 4:3-4)
